### **Q: Can you give me directions to the tour?**

A: Written directions are listed below. However, we have provided Google maps for both the tour starting and ending points. Google maps allows you to input your starting or ending address (hotel, house, etc) and will give up updated and accurate walking, driving and most importantly mass transit directions. Get directions to the tour with our [Google map](#). Get directions from the tour with our [Google map](#).

**BEST** - From **West 4th Station**, (**A,C,E + B,D,F,M** trains) follow the exit for West 8th Street. When you exit the station you should be exiting at, or just across the street from, the Waverly Restaurant (1 min).

From **Christopher Street Station** (**1** train) from northbound platform, exit station and walk eastbound on Grove Street (against traffic) along the south side of Christopher Park (small triangular park). Make a right on Waverly place and walk 2 blocks to 6th Ave. Waverly Restaurant will be on your right side. From southbound platform, cross 7th Ave at Grove Street (1 block south from station exits) and follow directions above (5min).

From **Astor Place Station** (**6** train) from southbound platform, exit station and walk west on E. 8th Street for 7 blocks to 6th Ave and make a left turn. The Waverly Restaurant will be on your left (12min).

From **8th St. NYU** (**N,R** trains), exit station and walk westbound on E. 8th Street for 6 blocks to 6th Ave and make a left turn. The Waverly Restaurant will be on your left (10min).

**Q: What is an appropriate tip/gratuity?**

**A:** Another good question. Since our tours are free, and we work just for tips, it's really up to you; how you like the tour and what your financial situation is? These are important determinants. With that said, we average about \$10 tip per person on our 2 hour tours. However, we like to think of our tours as "name your own price". You let us know what you think. Don't like the tour? Don't waste your money! Love it? Then we appreciate whatever you feel is fair. How can you beat that?

**Q: Do the tours ever get cancelled for weather?**

**A:** The show must go on! Dress appropriately for the conditions. Comfortable walking shoes are recommended. However, extreme weather will certainly cancel or postpone the tour. Please see our website or contact us for updates.
